

DECLARATION

AXIA CERT, Management Systems Certification Body, hereby confirms that the software:

One Click LCA™

has been audited and verified to be compliant with the following standards:

EN 15978:2011 Sustainability of construction works – Assessment of environmental performance of buildings – Calculation method

ISO 21931-1:2022 Sustainability in buildings and civil engineering works — Framework for methods of assessment of the environmental, social and economic performance of construction works as a basis for sustainability assessment — Part 1: Buildings

ISO 21929-1:2011 Sustainability in building construction — Sustainability indicators — Part 1: Framework for the development of indicators and a core set of indicators for buildings.

Conformity with the above standards was verified in consideration of the data quality requirements of the following standards:

ISO 14040:2006 Environmental management — Life cycle assessment — Principles and framework

EN 15804:2012+A2:2019/AC:2021 Sustainability of construction works – Environmental product declarations – Core rules for the product category of construction products.

The software was found to be in conformance with the provisions and requirements of listed international standards.
